

# Dolphin Scoreboard Adapter

For the first time, data from your Dolphin system can be displayed on your CTS scoreboard with the Dolphin Scoreboard Adapter from Colorado Time Systems. The Dolphin Scoreboard Adapter allows your CTS LED numeric scoreboard to wirelessly receive results from the Dolphin system and display race data. This system is the perfect way to efficiently provide instant feedback to the audience and swimmers.

#### Features:

- Wirelessly collects lane times and displays on CTS LED numeric scoreboards
- Shows Lane, Place and Time for each lane (1-10)
- One line of scoreboard can be set to scroll through all active lanes
- Shows event/heat information
- Displays time to 1/100 of a second
- Can be retrofit with kit (K-DSCB) for existing LED Numeric boards

1551 East 11th Street, Loveland, CO 80537 USA • phone: (970) 667-1000 • fax: (970) 667-5876
