

Event type: Running / Cycling
Number of entrants: 1300
Date of event: May, Annually
Distance: Varous

"We used HS sports for the first time this year, at relatively short notice. They were incredibly helpful, full of good ideals and showed admirable flexibility when we wished to change things. Nothing was too much trouble.

On the day of the event they were friendly and efficient and the new chip system we used saved us time and effort over previous years.

We looking forward to working with them in future years."

RACE DIRECTOR, SARSEN TRAIL
